

# Tungsten Fitness Website – Pending Work & Issues

**Deployment Deadline: Monday, 5:00 PM**

👉 All tasks must be completed, tested, and reviewed before deployment.

---

## ✅ Home Page

1. Change starting popup → "**Ulwe Coming Soon**" popup.
  2. Redesign **Get in Touch form** with proper responsive design.
    - Fix close button position in mobile view.
  3. Optimize **header slides video** for faster loading.
  4. Update **phone number** in contact info card.
- 

## ✅ Footer Section

1. Make **phone & email clickable**.
  2. Change year from **2023** → **2025**.
  3. Add **Instagram icon** for each branch.
- 

## ✅ Career Page

1. Fix **career page slides loading issue**.

2. Ensure **text on slide stays aligned at bottom**, and push form + images below properly.
  3. Update **form submit button design**.
  4. Add **WhatsApp consent checkbox** in form and store **consent key in DB**.
- 

## ✓ Franchise Page

1. Add **text in slider**.
  2. Add **WhatsApp consent checkbox** in Get in Touch form and store in **DB**.
  3. Fix **layout issue** → Align **form & Why Us** section properly.
- 

## ✓ Navbar

1. Redesign **Ulwe Coming Soon popup** for better UX.
  2. Also check proper routing.
- 

## ✓ Branch Pages

1. Add **new services section** in all branch pages.
  2. Update **footer design** across all branch pages.
- 

## ✓ Overall

1. Fix **loading performance issues**.
2. Perform **image & video optimization** (lazy load, compression, formats).
3. Write rest api for all forms
